RAW MATERIAL QUESTIONNAIRE SHEET

To ascertain whether Resitech Recycling Technology can accept Post-Industrial waste for recycling the following information needs to be confirmed:

What sort of material is it? (As advised by the manufacturer).

(If this information cannot be supplied, could you please obtain this information from the manufacturer).

LLDPE.....HDPE.....

LDPE.....PP.....OTHER.....

What quantity of material is available? Would this be an ongoing supply?

.....

.....

How is the material currently stored? Is it packed for easy handling?

.....

.....

Is the material clean and free from contaminants? ie:

Paper

Sticky Labels

Packaging Tape

String/Binder Twine

Timber

(If you cannot meet the above requirements, please send in a small sample for us to analyse along with your contact details and we will contact you on this matter.
